

Appl No. 09/868,276  
Amdt. dated May 17, 2004  
Notice of Allowance dated 02/19/04

**REMARKS/ARGUMENTS**

Applicants respectfully request entry of the present amendment. Claim 1 has been amended to remove the recitation of "N(R<sup>10</sup>)<sub>2</sub>," as a member of the Markush listing for R<sup>1</sup>. Applicants respectfully note that PCT application WO 98/22619, cited by Applicants and considered by the Office, names a 5-amidino-2-(2-aminophenyl)-benzimidazole. Applicants have addressed this disclosure by removing all compounds having an amino group at the equivalent position. Other minor amendments were made to cure typographical or formal errors that do not touch the merits. Applicants believe no new matter is presented.

Respectfully submitted,
